

## QUALITY POLICY

### Hyundai Trans Kazakhstan LLP

Hyundai Trans Kazakhstan LLP (hereinafter the “Company”) strives to become the best plant in the Republic of Kazakhstan and sets itself the task of constantly maintaining a high level of customer satisfaction through the use of the following principles:

- Apply global quality standards, as well as the principles and requirements of the Hyundai quality management system.
- Set and achieve quality objectives at all levels of the Company.
- Use the “Three Don’ts” rule at each workplace.
- Identify the root causes of nonconformities and develop corrective actions to prevent their recurrence.
- Make quality-related decisions on the basis of factual data.

To pursue this policy, Hyundai Trans Kazakhstan LLP implements and maintains a Quality Management System that complies with the international standard ISO 9001:2015, the Company’s internal requirements, and legislative requirements.

The Company’s top management undertakes to continuously analyze and improve the effectiveness of the Quality Management System.
